

5th YMCA Volunteers for Europe Seminar 2010: travel information

If you are coming by plane: Prague Airport – Main train station (Hlavni nadrazi)

At the airport take the **bus 119** and get off at the terminal station (called Dejvicka). Take the **underground** (in the Czech Republic called METRO, green line „A“), direction city centre (it goes only one way at this station, you cannot go wrong). Get off at MUZEUM station and **change for red line „C“** (up the escalator) and continue one station (direction Letnany) to HLAVNI NADRAZI.

You will need a public transportation ticket for this journey, which costs CZK 26 – can be bought at a newsstand or in a machine or directly from the bus driver (for the last two options, you will need change).

If you are coming by train: Nadrazi Holesovice – Main train station (Hlavni nadrazi): Take the **underground** (red line „C“, direction Haje), get off at HLAVNI NADRAZI.

If your train goes directly to Prague – main station, it is the easiest case ☺

From Prague to Belec

The best way to get there is to go to a small town called Trebechovice pod Orebem that is just a few kilometres far from the Camp. There are two trains that go directly from Prague, main station, to Trebechovice:

Train R 793 from Prague 13.10 arriving in Trebechovice 15.19

Train R 791 from Prague 15.10 arriving in Trebechovice 17.19

We will arrange somebody to wait for you at these times in Trebechovice and take you to Belec by car.

If you are coming to Prague too late to catch these trains you need to go to Hradec Kralove, which is a bigger town a bit further from Belec. There are three trains going there later in the afternoon:

Train R 859 from Prague 16.10 arriving in Hradec Kralove 17.51

Train R 951 from Prague 17.10 arriving in Hradec Kralove 18.51

Train R 953 from Prague 18.10 arriving in Hradec Kralove 19.51

We will pick up people going by either of these trains at 20.00 in front of the train station in Hradec Kralove. Please let us know if you are travelling by these trains! Thank you!
